ANNUAL REUNION

Each February, we hold an annual lunch and presentation of awards, to which we invite members of our partner club in Dublin. At this Annual Reunion, trophies are awarded to the person who leads the best walk and the person who provides the best evening entertainment (as voted for by our members). There is also an award for the person who has completed the most walks over the previous calendar year. So, keep hold of your old programmes to help you remember how many walks you did and what the highlights were for you. You might even win a trophy yourself!
